Kent County Mission Statement

Through responsible budgeting and thoughtful planning, Kent County government is committed to providing resources and services that promote a high quality of life for the entire community.

The Kent County Board of Commissioners is the chief legislative and policy-making body of Kent County Government.

Commissioners are elected to 2-year terms from districts that are roughly equal in population. A chair and vice-chair are elected at the first meeting of each new year by the Commissioners. The chair appoints each Commissioner to one of two standing committees: the Finance and Physical Resources Committee or the Legislative and Human Resources Committee.

2022 Chairs and Vice-Chairs

- Board Chair – Stan Stek (District 6)
- Board Vice-Chair and Legislative and Human Resources Committee Chair – Emily Brieve (District 10)
- Legislative and Human Resources Committee Vice-Chair – Lindsey Thiel (District 11)
- Finance and Physical Resources Committee Chair – Diane Jones (District 4)
- Board Minority Vice-Chair and Finance and Physical Resources Committee Vice-Chair – Stephen Wooden (District 18)

The Commissioners' duties include:

- Approving a mission statement for the County.
- Adopting the Annual County Budget. This includes approving the annual budgets of other, independently elected, County officials: the County Clerk, the Drain Commissioner, Judges of the 17th Circuit Court and 63rd District Court, the Prosecutor, and the Treasurer.

Board of Commissioners

/ Departments / Board of Commissioners

The Board of Commissioners is comprised of 11 members elected every two years from districts of equal population. They have four, five-member standing committees: Finance and Administration Committee; Health and Human Services Committee; Talent and Recruitment Committee; and Planning and Policy Committee.

What does the Board of Commissioners do?

» Set Policy - Commissioners pass resolutions which establish polices for internal matters like budgets, services, capital improvements and other matters. While commissioners may pass county ordinances, they are few due to the limited power of boards.

» Provide Leadership - Commissioners participate in countless county, regional and state committees giving them unique perspectives of their communities. The board engages in an annual strategic planning process, anticipating changes and needs for the future.

» Add Oversight - While commissioners only make the hiring decisions of one employee, the county administrator, they spend time monitoring and evaluating the work of many department officials. Doing so assures that county-funded services are effective and efficient.

» Serve Constituents - Commissioners are available to connect with county residents and find them the information or service they need. The Board also attends functions such as chamber meetings to learn the needs of the business community, farming events to hear from agri-business and non-profit gatherings learn the needs and gaps in human services.

Commissioners **do not** oversee city or township boards or services. Similarly, the County Commissioners **do not** have any role with school boards, school curricula or their budgets. The Ottawa County Board of Commissioners **does not** adopt resolutions on items outside of its statutory authority, with the exception of honorary resolutions. Other counties' boards may choose to adopt resolutions outside of their authority, however such resolutions are not enforceable even within those counties.

Meetings

Meetings of the Board of Commissioners and its Committees are open to the public. The Board meets the 2nd and 4th Tuesdays of each month at 1:30pm in the Board Room at the Administration Building: 12220 Fillmore Street, West Olive. **Watch videos of recent meetings on YouTube.** The **Board Rules** contain more information about the structure and dynamics of meetings. Each meeting opens and closes with an opportunity for public comments. Since comment time is limited, it is helpful to come prepared and be succinct. You can also contact your Ottawa County Commissioner at any time.
